## Undergraduate Internship Opportunities

We are a private group practice providing the opportunity for students in their junior and senior year to receive unique direct exposure to a clinical private practice therapy setting. Along with extensive administrative experience in a private practice setting, undergraduates are able to participate in weekly group supervision, observe individual supervision with our therapist interns, and learn practical marketing knowledge for this setting. It is a unique and rare opportunity for those interested in entering the mental health field.

### How to Apply

To apply for a placement in our Undergraduate Internship program, please apply via the link on our website. Please include your cover letter and resume. In addition, MLS requires two letters of recommendation: one from a professor OR a professional with whom you have worked or interned, and a non-family member character reference. Recommenders can send letters via email to info@mindfullifeservices.com. or fax at (470) 381-1729 (please include internship reference: **student name in the subject line**). We will review those materials and inform you promptly whether we would like to invite you for an interview.
